Euclid Life Science Specialty Names David Bailey New Vice President of Underwriting

Itasca, IL December 1, 2020 – Euclid Life Science Specialty, LLC, an Itasca-based specialty program administrator for life science liability, is pleased to announce the hire of David N. Bailey as vice president of underwriting and executive underwriter. David’s focus will be growing the company’s presence and core book of life science products-work hazard liability and professional liability on the West Coast and partnering with executive leadership to expand product offerings for the Life Science industry.

David brings more than 20 years of experience in life science and technology related underwriting to the Euclid Life Science Specialty team. Prior to joining Euclid Life Science, Mr. Bailey served as the Commercial Director of Life Science for CNA and held medtech leadership, risk control and underwriting roles with Travelers/St Paul and Fireman’s Fund.

Managing principal of Euclid Life Science, Ryann Elliott states “David’s driven marketplace presence and rich underwriting expertise builds on our extensive academic focus and experience necessary to service client needs in this highly complex industry sector. His focus on growing the team and the book on the West Coast will aid in balancing our team.”

Mr. Bailey holds a Bachelor of Science Business Administration from University of California at Riverside and is based in California, reporting to Elliott. He can be contacted directly by phone at +1.213. 247.2250, or via e-mail at DBailey@EuclidLSS.com.
